IAN 422695 2210 - Model no HG10159

For the maximum preventive consumers protection, the company OWIM GmbH & Co. KG is currently recalling the item “Sensory Blocks” (model No HG10159) from the “Playtive” brand with the IAN 422695_2210 (see imprint).

On the “building block with colorful balls” from the set, the yellow plastic cap can come off under unfavorable circumstances. The yellow plastic cap and the balls that fall out are small parts that can be swallowed. If babies/small children swallow these small parts, the risk of injury cannot be ruled out. The company OWIM GmbH & Co. KG therefore urges all customers to take note of the recall and to **stop using the affected item**. The item can be returned to any Lidl shop. **The purchase price will of course be refunded, even without presentation of the receipt.**

The item “Sensory Blocks” (model No HG10159) from the brand “Playtive” with the IAN 422695_2210 has been sold at Lidl Malta since the 17/08/2023.

Only the “building block with colorful balls” from the “Sensory Blocks” set (model No HG10159) from the “Playtive” brand with the IAN 422695_2210 (see imprint) is affected by the product recall. Other items from the “Playtive” brand, as well as the other building blocks in the “Sensory Building Blocks” set, are not affected by the recall.
